

# Custom clip template

Please keep all your artwork inside the red lines. Anything outside the red lines will be cut during production

Steps:

- 1 Save and open this template on Adobe Illustrator.
- 2 Add your artwork design to a layer named "addYourDesign".
- 3 **\*IMPORTANT NOTE:** Please do not move the position of the box template to ensure your artwork will be printed properly.
- 4 Convert all text to outlines.
- 5 If you have any overlapping objects like the below, please use the "Pathfinder", select the overlapping objects and click on the "Unite" button to combine all object paths into 1 object.
- 6 Before you send the file back to us, please hide the dieline layer groups.
- 7 Save your file and send it back to us.
